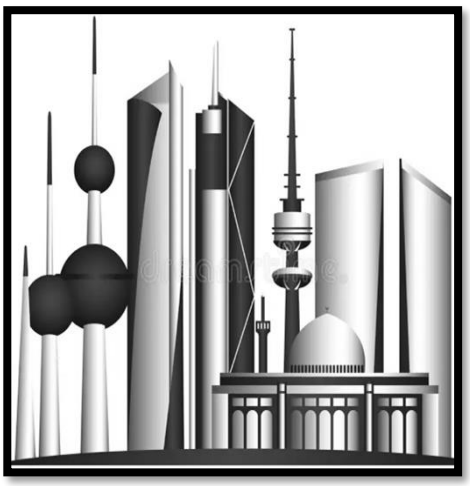
IV- Reading Comprehension

Read the following passage, then answer the questions below:-



In the past, life was simple in Kuwait. There was no technology, there was no electricity, there were no computers, and people spoke mainly Arabic. After the British came to Kuwait and discovered oil, Kuwait changed. By **selling** oil, Kuwait built streets, houses, and modern cities. Kuwaitis now live a better life. The new cities provide people with everything they need. There are tall buildings, malls, schools, mosques, and more. Education is free. Health care is provided, too. Kuwaiti families get everything **they** need to live a happy life. Kuwait has become a place that many people wish to live in.
