Reading comprehension

Read the following passage and answer the questions below

A compass is a clever invention because it helps people to know the directions. It is an Arab invention. It has a needle in the middle. The needle points to the north. When you look north, south is behind you, east is to your right and west is to your left. In the ninth century, Arab sailors used the first compasses to sail over the sea to different countries to buy and sell things. It also helped them to find their way home again. It is really a very useful invention. Before this invention , sailors had to sail close to the land.

A) Choose the correct answer from a , b , c and d :-

1-The best title for the passage is

a- A clever invention b- Sailors c- Arabs d- Kuwait

2- The pronoun It in the line 1 refers to.....
