## الحياة قديما وحديثا life in the past and nowadays

Life was hard. People fished. They traded. There were no cars. There were no schools.

Life now is easy. It is modern. We use internet. There are cars. We can travel. Life is good.

## وقت الفراغ / العطلة - Ideal passenger / المسافر المثالي Free time

I like holidays. I relax. I can travel. I enjoy. I travel by a plane. I go to the airport. I take my passport. I take money.

I went to India. I went by plane. I went with dad. We booked a hotel. We went to Taj Mahal. It is big. We had fun.

## الاختراعات Inventors المخترعين Inventions

I like inventors .They are great. They study hard. They help us. Life is easy. Life is modern.

There are many inventions. There is the plane. We can travel. There is the mobile. We chat. I like AL-Idrisi.

## العمل Work ① + ③ / مدرب الحيوانات Animal trainer ② + ③

① Work is important. We have money. We can live. We help others. We buy food. We feel happy.

② I like animal trainer. He is fit. He is strong. He is active. He is patient.

③ An animal trainer is clever. He likes animals. He gives food and water. He doesn't use a computer.

## Nobel Prize جائزة نوبل

Prizes are great. I like Nobel Prize. It is yearly. Great people get it.  
They work hard. They help us.

Ahmed Zuwail is a scientist .He is Egyptian. He won Nobel Prize. It was in Chemistry. It was in 1999. He is a great.

## Energy الطاقة / Oil النفط

Energy is important. It is life. We use everywhere. Water and wind are renewable. Oil and gas are non-renewable.

We should save energy. We turn off AC. We use small cars. We use solar energy. It is clean. It is free. It is endless. There is no pollution.

Oil is black. It is expensive. It is limited. We have petrol. We use in cars.

## Saving the environment / حماية البيئة / Pollution التلوث / Climate change تغيير الطقس

We live on Earth. There is pollution. There is smoke. Ice caps melt.  
There are floods. There are forest fires. People cut trees.

We should stop pollution. We can save energy. We turn off AC. We plant trees. We can save animals.

## Recycling اعاده التدوير

Recycling is important. It stops pollution. We save money. We save time. We save energy. We save the Earth.

We can recycle plastic. We can recycle glass. We have new things.  
Life is good.

## Life in the future الحياة في المستقبل

Life will be different. It will be easy. It will be modern. We may live in space.

Robots will help us. They will cook. We will study online. We will use e-books. We will have flying cars.

## Water المياه

Water is important. It is life. It is everywhere. We get water from the sea and rivers.

We can drink water. We can cook. We should save it. We turn off taps.
