## وسائل التواصل الاجتماعي - الهواتف Social Media – Smart phones

Social media / A mobile is important. It can be good. We can communicate. We learn online. We send messages . We share posts. We can make friends. Also , we can get news. We can shop online.

Social media / A mobile can be bad. We are less social. It wastes time . It wastes money. It causes health problems. We are lazy. We can't study well. Finally, we should use it wisely.

## التواصل – الرسائل قديما وحديثا Communication / Sending messages

الماضي

Communication / Sending messages is important. We share ideas and feelings. We pass news. It was difficult before. People couldn't write. They carved on stones. They told stories. They used birds. They used fire and flags.

الحاضر

Communication / Sending messages is easy now. It is fast. We use mobile and internet. We use computers. We use TVs. We get news. We send messages.

المستقبل

Communication / Sending messages will be different. There will be smart devices. We will wear in hands. There are smart watches. We will play games. We can call friends. Also, we can find locations. Life will be easier.

## القصص Stories in our life

Stories are important .We read at home. We read with family. We hear on TV. They inspire us. We are happy. We have nice feelings . We understand the world.

Stories help us. We communicate. They deliver messages. They pass wisdoms. They convey values. We know the past. We learn about life. Children get lessons.

## **المخترعين – الاختراعات Inventions / Inventors**

**Inventors are great. They are creative. They make inventions. Life is easy. Life is modern. They save time and effort. They connect people. We really enjoy life.**

**There are many inventions. They are important. There are mobiles and Internet. We can keep in touch. There are cars and planes. We can travel. We use A/C. We stay cool. We have a good life.**

## **الإبداع – الابتكار Creativity**

**Creativity is important. We invent new things. We imagine. It helps us. We solve problems. Life is easy. Life is simple. Life is modern. Inventors are creative. They are strange.**

**We are all creative. We act on ideas. We think well. We join ideas. We think outside the box. We need to exercise. We can read books.**

## **علم الفلك Astronomy**

**Astronomy is important. We study planets. It was difficult before. Astronomers noticed the sky . They didn't have tools. They couldn't see far things.**

**They have modern telescopes . They have modern computers. They have clear images. They store data. They can study the Earth.**

**We live on Earth. There are problems. There is pollution. There is smoke. There are floods. People kill animals. They cut trees.**

**We should save the Earth. We turn off lights. We should stop pollution. We shouldn't cut trees. We can save animals. They should put laws.**
