## Grade 6 Worksheet for Grammar

### Unit 1 1- The past simple

The past simple is a verb tense used to describe actions or states that began and ended in the past. For regular verbs, it is formed by adding "-ed" to the base verb (e.g., "walk" becomes "walked"). Negative sentences are formed with "did not" (or "didn't") + the base verb (e.g., "I didn't walk"). For questions, the structure is "Did" + subject + base verb (e.g., "Did you walk?").

**Affirmative:** Add "-ed" to regular verbs. For irregular verbs, use their specific past form . *Example:* "She **finished** her work." "He **went** to the store."

**Negative:** Use "did not" (or "didn't") + the base form of the verb.

*Example:* "I **didn't like** working there."

**Questions:** Use "Did" + subject + the base form of the verb.

*Example:* "**Did** you **see** the movie?"

- **The verb 'to be':** This is irregular.
  - *Affirmative:* "I **was** here." / "They **were** here."
  - *Negative:* "I **was not** (wasn't) here." / "They **were not** (weren't) here."
  - *Questions:* "**Was** she here?" / "**Were** you here?"

### Unit 1 2- Used to + infinitive':

We use this expression to talk about habits or repeated actions in the past which we don't do in the present. We also use it to talk about states in the past which are no longer true. For example: 1- I used to have long hair (but now I have short hair).

2- He used to smoke (but now he doesn't smoke).

3- They used to live in India (but now they live in Germany).

Watch out! With the negative and the question it's 'use' and not 'used':

- Did you use to be a teacher?
- Did he use to study French?
- She didn't use to like chocolate, but she does now.
- I didn't use to want to have a nice house.

## Unit 2 3- Present Simple / Preference Verbs

Preference verbs: prefer / like / enjoy / love

Use preference verbs to talk about what you or other people like or don't like doing.

**I**

**You**

**They**

**We** + like / enjoy + verb-ing

**Plural n.** don't like / enjoy + verb-ing

**He**

**She** + likes / enjoys + verb-ing

**It** + doesn't like / enjoy

**Singular n.**

**Examples:**

- I enjoy reading every day.
- They don't like going to the park.
- Hamad enjoys reading every day.
- She doesn't like going to the park.

## Unit 2 4- First Conditional

We use the first conditional to talk about real or possible situations in the present or in the future.

(ابتدائي - متوسط - ثانوي) خيطان - قطعة (٤) - شارع (١٠٠)

Examples: If I wake up late, I will miss the bus.

If Ahmed leaves early, Ali will be sad.

If you study hard, you will pass your exams.

### Unit 3 6-Present Continuous

Use the present continuous to talk about actions happening right now.

**subject + am / is/ are + verb + ing**

Subject	Verb To Be	Example
I	am	I <b>am</b> reading right now.
He / she / It / Noun	is	He <b>is</b> riding a bike.
We/ You / They	are	They <b>are</b> playing football.

Key words: Now, Look! Listen! At the moment

Negative form: am/is/are + not      Examples: I am not working at hospital. He isn't playing in the street. They aren't making noise.

Question: a) Yes, I am doing my homework now. Are you doing your homework now?

b) She is cooking lunch at the moment. What is she doing at the moment?

### Unit 3 7- The future simple tense

We use the **future simple** to talk about things that will happen later or in the future.

- We use **will** to talk about things we plan to do in the future.
- We use **won't** to talk about things we promise not to do.

I	+	will	+ verb	He	+	will	+ verb
You		won't / will not		She		won't / will not	
They	• I <b>will</b> help my classmates. • We <b>won't</b> talk when our teacher is speaking.			It	• Ali <b>will</b> read for 10 minutes every day. • She <b>will not</b> give up when something is hard.
