## The media

The media has a huge role to play in our life. Some people say that we depend on the media to get the latest news and for entertainment as well. Also, media can help to raise awareness. On the other hand, others think that the media can lead people to negative thinking and spread violence. Also, media can mislead people by making heroes out of ordinary people. In short, we should avoid the negative effects of the media and make use of its positive sides.

## Television

The invention of television is one of Man's greatest inventions. However, some people believe that television is useless while others believe it has many benefits. TV can encourage good behavior and can be a great educational tool . On the contrary, others see that the disadvantages of watching too much television are a lot. It can give false or negative messages or sometimes encourages bad behaviors. In short, I think we should avoid the negative effects of TV and make use of its positive side.

## “Security cameras should be placed in schools”

تركيب كاميرات المراقبة في المدارس، مع أم ضد؟

### Outline

#### Introductory sentence:

Placing surveillance cameras in schools is highly debated these days.

#### Supporting details :

- deterrent of bad behaviour
- protect students and facilities
- against students' privacy.
- create distrust

#### Concluding sentence:

In short, I think that installing cameras is a violation of the basic human rights and privacy.

## “Security cameras should be placed in schools”

Placing surveillance cameras in schools is highly debated these days. While some are against it, others find them essential. As far as I am concerned, the disadvantages of security cameras outweigh the advantages. On the one hand, security cameras in schools can be a deterrent of bad behaviour and help schools protect their students and facilities. On the other hand, some claim that installing cameras goes against students' privacy and may create distrust. In short, I think that installing cameras is a violation of the basic human rights and privacy.
