**Reading comprehension**

Read the following passage then answer the questions bellow

Life in the past was different from it is nowadays. People couldn't believe that they can talk through the telephone, listen to radios or watch TVs. Life has changed a lot nowadays because of electricity. You can see modern electric things everywhere. At home, we use air-conditioners, computers, fridges and others. The computer is wonderful. It is used nearly everywhere and by different people, teachers, doctors, pilots and others. It can keep lots of information and answer questions. It is very fast and exact so it never makes mistakes. We are happy of technology that made our life very easy.
